Opportunities for:

Clinical Therapist

Florida Civil Commitment Center in Arcadia, FL

Full-Time Available

**Comprehensive Benefits • 401K • Tuition Reimbursement
Competitive Compensation • So Much More...**

Qualifications:

- Masters or Doctoral degree in psychology, social work, counseling, or related human services field
- Prior clinical experience working with sexual offenders and an understanding of the dynamics of sexual deviance strongly preferred
- Familiarity with relevant research literature, clinical assessments, procedures and methods, particularly those designed for sexual offenders
- Ability to assess treatment goals and write goal-directed, individualized treatment plans, as well as the ability to monitor and document individual behavior patterns and modify treatment plans to meet changing treatment goals
- Ability to instruct others in the implementation of therapeutic and behavioral interventions and procedures
- Excellent listening and verbal communication skills
- Must be affiliate or Clinical member of the Association for Treatment of Sexual Abusers (ATSA) and licensed or license-eligible in Florida as a Clinical Psychologist (LCP), Clinical Social Worker (LCSW), Mental Health Counselor (LMHC), or Marriage and Family Therapist (LMFT).

Responsibilities:

1. Comply with all laws, policies and procedures, rules and regulations formulated by the State of Florida Department of Children and Families, and any applicable professional governing bodies.
2. Deliver SOTP and other treatment to individuals and groups as assigned, in accordance with established performance standards. Document service delivery and resident progress on a weekly basis, completed in accordance with established standards and timeframes.
3. Serve as clinical therapist to assigned residents, with frequency and amount of direct contact with residents consistent with established performance standards. Clinical therapy duties include: (a) reviewing and integrating assessment information to write and monitor individualized treatment plans; (b) coordinating referral of residents to

- appropriate treatment groups and activities; (c) referring clients to psychiatric services and encourage residents to seek medical services or other specialized care as needed; (d) meeting weekly with assigned residents to monitor and review ongoing treatment or other needs; (e) reviewing and revising, as needed, resident individualized treatment plans using established format on a quarterly basis; (f) evaluating clinical appropriateness of property and visitation requests; (g) documenting all individual resident contacts using established formats within established time frames; and (h) other duties related to primary care of assigned residents as directed.
4. Provides 16 hours of sex offender treatment groups weekly with a co-facilitator.
 5. Provide training and consultation to treatment and security staff on clinical methods and procedures related to the Sexually Violent Predators.
 6. The above responsibilities are a highlight of responsibilities and not a full list. Other responsibilities may be performed as assigned.
